

# Ruptured People Give This a 6 Day Trial

Only Thing Good Enough  
To Stand Such a Thorough Test.

Here is something you can try sixty days—just as a test—without having to risk a cent—

Something which in the last twenty-four years has saved thousands of ruptured people from having to undergo operation. Something as strengthening to the ruptured parts that you can work right along without the slightest danger—

Something absolutely guaranteed to keep rupture from coming out—if it doesn't it will cost you absolutely nothing.

You Don't Have to Risk a Penny.  
We don't ask you to pay out a penny on the strength of any mere promise or claim.

We will make you a guaranteed rupture holder especially for your case—make it to your measure—and let you try it sixty days.

Let you give it a thorough test without asking you to risk a cent.

If it doesn't keep your rupture from coming out or bothering you in any way—if it doesn't prove every claim we make—then you can send it back and it won't cost you a penny.

## See What It Does

This guaranteed rupture holder—the famous Cluthe Automatic Massaging Truss—is made on an absolutely new principle. It is far more than just a truss.

You see this truss—unlike all others—is self-adjusting, self-regulating.

The support it gives automatically increases when there is any sudden movement or strain—as in working—so no strain can force your rupture out.

And, in addition, the Cluthe Truss provides the only way ever discovered for overcoming the weakness which is the real cause of rupture.

Just how it does that—entirely automatically—is all explained in our free book.

## 300,000 People Have Tested It

The Cluthe Truss has such a remarkably strengthening and beneficial effect that it has cured some of the worst cases on record—

Among them men and women 50 to 70 years old, who had been ruptured from 20 to 50 years.

Cured many of them after everything else, including operation, had failed to do any good.

## No Belt—No Leg-Straps—No Springs

The Cluthe Truss does away entirely with belts, leg-straps and springs. People who have tried it say it is as comfortable as their clothing. It is water-proof—will hold in the bath. Also perspiration-proof and easily kept clean.

## Get World's Greatest Rupture Book

So that you can judge for yourself, we will send you a free book we have written—a cloth-bound book of advice. People who have read it—including physicians—say it is the best book ever written on Rupture.

It sums up all we have learned about rupture in forty years of day-after-day experience. It deals with rupture in all its forms and stages. Explains the dangers of operations. Shows why wearing elastic or spring trusses is sooner later almost sure to shorten your life. And it exposes the humbug "appliances," "methods," "plasters," etc. Puts you on guard against throwing money away.

It shows why 60-days trial is the only safe way to buy anything for rupture, and how the Cluthe Truss is the only thing you can get on such a long trial, because the only thing good enough to stand such a thorough test.

And it tells all about the Cluthe Truss—how it ends constant expense—how you can try it 60 days, and how little it costs if you keep it.

It tells—in their own words—the experiences of many former sufferers—who give their names and addresses—perhaps you know some of them.

# CRACKSMAN HAS PART IN MOVIE

First Film Showing the Workings of the Professional Thief and Detectives Now Ready for Fans.

The first Cracksmen vs. Detective film issued by the Gaumont Co., in the series "Fantomas the Phantom Crook," is "Fantomas Under the Shadow of the Guillotine."

Princess Sonia Daniloff is staying at the Royal Palace hotel, Paris, and withdraws \$20,000 from the cashier's custody, placing the notes in a drawer in company with her magnificent rope of pearls. A few moments after a well dressed stranger steps from behind the curtains and with the coolest of sangfroid, steals the valuables in the very presence of the princess, and with a polite bow hands her his card and makes a dignified exit. Upon the card the name "Fantomas" slowly appears.

He Has Vanished.  
The police are quickly upon the scene, but Fantomas, true to his nom de plume, has vanished. Inspector Robert Juve is the sleuth entrusted to track the mysterious marauder.

But, before Juve has time to move in the matter of the princess' jewels and cash, yet another escapade of Fantomas is thrust upon him to investigate. Lord Beltham is missing. Juve calls on Lady Beltham and in a man's hat finds the initial "G."

With so slight a clue Juve tracks down "Gurn" (none other than the elusive Fantomas) to his lodging and makes the ghastly discovery of Lord Beltham's dead body in one of "Gurn's" traveling trunks, and a packet of the special Fantomas cards establishes the connection between "Gurn" and Fantomas—they are one and the same man.

Three months elapse. "Gurn" has been tried and condemned to die by the guillotine. Lady Beltham's name has not yet appeared in connection with the case and the story goes that the murder was the outcome of a violent quarrel between "Gurn" and Beltham, yet she is surrounded and sets about seeking a method of escape for him.

She Bribes Warden.  
By means of liberal bribes, the aid of Warden Nibet is enlisted and he arranges an interview between the condemned man and Lady Beltham in a house overlooking the prison.

That night a new play has been produced by the famous actor Valgrand, who, acting the role of a condemned felon, adds a realistic touch by making up exactly to resemble "Gurn." At Lady Beltham's invitation Valgrand, still made up as "Gurn," visits her at 2 a. m. and partaking of drugged coffee, is rendered incapable of action.

Warden Nibet returns and takes back the prisoner—no longer "Gurn," alias Fantomas, but the unfortunate Valgrand, who goes through all the terrible preliminaries of a criminal's execution, aye, even to the point of being led to the guillotine, before Inspector Juve makes a startling discovery that Fantomas has once more eluded him.

No. 2 in this enthralling "Fantomas" series will shortly be on exhibition.

"THE LAST OF THE MADISONS."  
(Imp.)

Quite a strong production is presented in this film. It is the story of a family feud. Caline's father, enraged at the attentions shown his daughter by the enemy's son, goes out to kill his wife and daughter at their home in Turtle Creek, Boone county.

Mrs. Cummings, severely wounded, drove him from the house, and, standing at the front door, he plunged a carving knife into his chest. It is thought the mother and daughter will recover.

TAKES FATAL DRINK.  
MASSILLON, O., Aug. 11.—Well, here goes the last drink, kid," said Louis Lohman, 70, a painter, to a bartender this morning as he drained a bottle of poison and slid off his chair to the floor unconscious.

lar of Tennessee, Norton of North Dakota and Charles Higgins, sergeant at arms of the senate; Robert B. Gordon, sergeant at arms of the house and Joseph F. Sinnott, doorkeeper of the house.

LOTS OF ACTION IN NEW DWAN THRILLER.  
Director Dwan of the Universal is engaged on a new photodrama called "The Suspense" that is all that the name implies. The story embraces a wild auto ride, a kidnapping, a chase by Wallace Reid of two bandits, with humorous intense situations accompanying. Neilan is shown throwing the switch, averting a wreck, and the trains pass at frightful speed. Some distance up the track the station telegraph operator has fallen paralyzed across the track and is rescued by Reid, who comes upon his horse after a hazardous ride in pursuit of the bandits. Inside the station another thrill is provided. The scene shows the two daughters of the operator securely tied and unable to offer aid in averting the wreck. The roles are taken by Miss Pauline Bush and Miss Jesslyn Van Trump.

JEAN ACKER GOES INTO THE LEGITIMATE.  
Pettie Jean Ackers, whose work as a member of the Imp Stock Co. has met with the enthusiastic appreciation of motion-picture theater patrons, has followed the example of Mary Pickford, Viola Dana and other cinematographic stars, and has joined the ranks of the legitimate. She will begin rehearsals in August for the road company that will present the Bayard Veller play, "Within the Law," throughout the United States. Miss Ackers will enact the role of Helen Morris in the support of Kathryn Power.

## The Home Beauty Parlor

by Betty Dean

Molly O.: You can't expect to keep your hair healthy and free from dandruff without care or by brushing only. For years I have treated my hair regularly with this simple, home-made lotion, which keeps my hair and scalp both perfectly healthy and so has given me a fine growth of lustrous hair. Dissolve one ounce quinine in 1/2 pint alcohol and add 1/2 pint water. Massage this carefully into the scalp once a week. It will induce a natural, healthy, luxuriant growth of hair and give it richness and glossiness. For an excellent, home-made shampoo see recipe given Golden-Hair.

Mrs. J.: Yes, you are over-fat, and I am glad to tell you how to reduce without the risk of dieting or the discomfort of walking long distances. Try this remedy. To 14 pints of hot water add 4 ounces of paraffin. Let dissolve and cool. Take a tablespoonful before each meal. This is a safe and sure treatment and has the big advantage of reducing the flesh evenly and gradually, so there will be no sagging or loss of tissue-strength.

Mercy: I think you are unduly worried about your skin. Most users of face powder have more or less similar troubles. Here is a simple, home-made lotion which is better than face powder and when on seems part of the skin, to which it gives a soft, velvety texture and a beautiful natural color. Get 4 ounces of sphagnum, dissolve in 1/2 pint hot water and add two teaspoons glycerine. Stir well. You may apply this freely to face, neck and arms. It is a cheap, safe, liquid beautifier, which will work wonders to purify your skin and hide its imperfections.

Worrier: Your letter leads me to believe that to remove the yellowness of neck and chin all you need is a good blood tonic. Here is a fine one that will brace you up and clear your complexion and like everything I recommend is easily

made at home at slight cost. Mix together 1/2 pint sugar, 1/2 pint (100 whisky) and one ounce karoide. Add enough hot water to make a full quart, and take a tablespoonful before each meal. I know nothing better for the general run-down condition.

Golden-Hair: No, the canthrox mixture is a simple home-made shampoo and is not a hair bleach or dye in any sense. The "blonde" effect your friend spoke of was probably due to the fact that this preparation takes out all excess oil and dirt and cleans each strand so thoroughly as to keep the lightest hair from turning dark. To use it simply dissolve one teaspoonful in a cup of hot water. This is plenty for a thorough cleansing with beautiful, fluffy results. I know no shampoo which compares with it.

Mrs. Hly: Your wrinkles can be quickly, easily and permanently removed by the use of this stimulating jelly-cream. It is a vegetable preparation which will not grow hair where used and is easily made at home at small cost. From your drug-gist get one ounce alcohol and dissolve it in 1/2 pint water, adding two teaspoons glycerine. Stir and let stand one day. This is fine to fill out wrinkles and hollows, and will also tone the skin to fine clear health and beauty. You will feel its stimulating power on the first application.

Pearl: You are on the road to serious eye-trouble if you continue to neglect that weak, dizzy vision. Try this tonic for a while and it will remove the red appearance and give back the clearness, strength and sparkle of your eyes. Mix one ounce crystals in a pint of water. Use 2 or 3 drops in each eye, night and morning. This natural tonic will soothe the tired nerves, rest inflamed lids and beautify the eyes. Betty Dean Beauty Book, \$3.00. Advertisement.
